Yakov Hi
It sounds genuine and that's probably the truth.
I suggest you'll meet Sz on Aug 26th.
Try to coordinate with VV.
I'm ready to talk to him , if needed.
Notice the H party (IT and PK) once you've got VV response re the meeting.
Best

> Mr. T has spoken to VO and his staff, and now we have a clear picture why the meeting scheduled for today does not take place.
>
> Mr. Sz has requested VO not to have the meeting without him beeing present. Sz is totally supportive of our proposition, and he wants to see it through, and probably also wants to take credit.
>
> Mr. VO and his staff have not realised how impolite and unprofessional it is not to have today's meeting. They said, that since Sz is handling the issue, and everybody supports it, it will be done, so there is no problem. They simply do not realize, that of course business is the most important issue, but basic politeness is also to be considered.
>
> We would like to emphasize, that there is certainly no ill will on the side or Mr. VO or Mr. Sz. Also we would like to repeat, that the way forward is for Mr. Tesis to meet Mr. Sz on the 26th. If we, or anybody else tries any other approach, it will alianete Mr. Sz and make him suspicious of our motives,
>
> We have reserved the 13 hour appointment on the 26th, since otherwise we would have lost the opportunity. And if it is decided, that we do not want to meet Mr. Sz,

there will not be a deal anyway.

Yours, Peter
